Discover Sailing day at Chipping Norton Lake Sailing Club

10am Sunday 27/10/19 Behind the boatshed Grand
Flaneur Beach end of Ascot St. Chipping Norton

Chipping Norton lake Sailing Club opens its doors for the community to come and discover sailing and is inviting the community to enjoy a free sailing experience as part of Discover Sailing Day 2019 on Sunday October 27. People can attend by themselves, or with a partner, friends or family to get a taste of what sailing is all about.

The aim of Discover Sailing Day 2019 is to encourage people to find out how much fun, safe, accessible and affordable sailing can be. Club Commodore Max Hubbard encourages people to pay the club a visit on Sunday October 27. "This is a fantastic opportunity for us to welcome the community to our club and our sport" he said. "We encourage anyone who has ever wanted to try sailing to come and have a look and enjoy a sail with an experienced club member or instructor.

"We provide all the instructors, boats and safety equipment, so all you have to do is come along prepared for a good time with a spare set of clothes, a hat and some sunscreen."

Discover Sailing Day offers you the chance to go for a short sail with an experienced sailor, enjoy the club's facilities, and find out about the great sailing courses available. There are courses for young and old, aspiring sailors and experienced sailors. The whole family can get involved – kids as young as five can enjoy a sail. with a parent or guardian. "Our Discover Sailing Host can answer any questions about sailing and our volunteers will ensure you have an enjoyable day at the club," Commodore Max said.

"We recommend people register in advance to ensure they can get out on the water, but you can also register on the day." Discover Sailing Day 2019 is part of Australian Sailing's Discover Sailing program, which was launched in 2012 and designed to encourage more people to get in boats, out on the water and enjoying the benefits of sailing. You can register for a FREE sailing experience at our club by contacting David Cox at 9601 5557 or dco34075@bigpond.net.au For more information about sailing, visit our website (chippingnortonlakesailingclub.com)
